

Hi my Friends,

Our friend Jacsary lives in Nicaragua, which is in Central America. If you were to drive to Nicaragua, it would take 61 hours – that is a long trip. She is 10 years old. She has a sister named Brittany and she likes to eat dinner and watch TV with her family. What do you like to do with your family? If you would like, draw a picture of you and your family and what you like to do together. Have a happy week.
