*CALL TO WORSHIP

Debbie Heisinger

Haudenosaunee Thanksgiving
Prayer

Now we turn to all the Medicine Herbs of the world. From the beginning, they were instructed to take away sickness. They are always waiting and ready to heal us. We are happy there are still among us, those special few who remember how to use these plants for healing. With one mind, we send our greetings and thanks to the Medicines and the Keepers of the Medicines.

Now our minds are one.

We gather our minds together to send greetings and thanks to all the Animal Life in the world. They have many things to teach us as people. We see them near our homes and in the deep forests. We are glad they are still here, and we hope it will always be so.

Now our minds are one.

We now turn our thoughts to the Trees. The Earth has many families of Trees who have their own instructions and uses. Some provide us with shelter and shade, others with fruit, beauty, and other useful things. Many people of the world use the Tree as the symbol of peace and strength. With one mind, we greet and thank the Tree of Life.

Now our minds are one. Amen
